# About Our Men's Retreat

## How Did Jesus talk to the men of His time?

During this retreat, we will discuss how the gospel speaks to men in an extraordinary way that can be used and applied to our everyday lives. You will see a short 6-minute-high definition video by EWTN for me as I guided them for seven days throughout the Holy Land. We will also discuss how certain specific gospels written 2000 years ago can answer many of the problems we face today in our own lives. We will discuss how many holy sites in the Holy Land were discovered and why we know these are the actual sacred sites. What are some of the significant places on the Way of the Cross and the message we can gather from these places that we can use in our everyday lives? Why was Our Blessed Mother so crucial in the lives of the apostles? Who inspired the Apostle's Creed, and how did that become a famous prayer in our faith? How did we get the mysteries of the Holy Rosary? God breathes on man only twice in the whole Bible. Where did this happen and why? God answers all prayers in three ways, and we will discuss them. What are these ways? What are four things all the great saints had in common? Where did we come up with confessions, and what shouldn't you say in a confessional? Why is holy Mass said in such a way, and for what reason? We will discuss these and many other questions during the retreat, and you will come home with an excellent knowledge of where these holy events took place and why and how they apply to your spiritual life. We will explore many of the holy sites I visit every time I see the sacred land with a group of pilgrims, much like many of you. You will come away with a better working knowledge of the New Testament, a stronger love for Jesus, and the ultimate price He paid for our salvation.

Chris Cross is a licensed guide in Israel and has made over 91 trips to the Holy Land, leading groups from all over the US and Canada. He has taken over 1100 priests over an 8-year period and has also guided EWTN throughout the Holy Land. Chris has written several books: *Walking in His Footsteps* and a prayer booklet, *To Jesus through Mary*. Chris has been married for 52 years to his wife, Linda. They have two children and three grandchildren. Chris is a very powerful speaker and loves to discuss questions that many have about their faith. Chris always says: You can't talk the talk unless you have walked the walk. You will be impressed to see what God has done with this man. He will speak to you in a way that will touch your heart.
